6.2. In the event of a nominated aircraft, if the Charterer shall for any reason substitute the aircraft, the Charterer shall so substitute the aircraft with a similar type aircraft. If Substitution with a similar type aircraft is not possible, the liability of the Charterer shall be limited to repayment by the Charterer to the Customer of the payment or portion thereof of the Voucher price.

7.7 The Ticket is and remains at all times our property if issued by us or our Authorised Agent. If the Ticket has been issued by, or on behalf of, another airline, it is and remains the property of that airline.

Article 8 - Compliance with Timetable and Incomplete Performance

8.1. The Charterer shall use its best endeavours to complete the journey in accordance with the flight timetable indicated on the Voucher, but shall be entitled to differ from the said flight timetable if it is necessary.

8.2. In the event of denied boarding, cancellation or delay, which is not a result of extraordinary circumstances as defined in clause 8.5., Force Majeure as defined in clause 10.1., or special circumstances as indicated in clause 8.6., Regulation (EC) N0 261/2004 of the European Parliament and of the Council of 11 February 2004 establishing common rules on compensation and assistance to passengers in the event of denied boarding and of cancellation or long delay of flights, shall apply, which for ease of reference has been represented in the attached Medavia Delay Notice.

Without prejudice to the terms of this Agreement and for the avoidance of doubt, in the event of denied boarding, cancellation or delay, which is not a result of extraordinary circumstances as defined in clause 8.5., Force Majeure as defined in clause 10.1., or special circumstances as indicated in clause 8.6., the level of compensation established in Regulation (EC) N0 261/2004 of the European Parliament and of the Council of 11 February 2004 shall also apply to any passenger who is not a resident or citizen of the European Union.

In the event of denied boarding, cancellation or delay, which is not a result of extraordinary circumstances as defined in clause 8.5., Force Majeure as defined in clause 10.1., or special circumstances as indicated in clause 8.6, the liability of the Charterer/or Carrier (as applicable) shall be strictly limited to the level of compensation established in terms of Regulation (EC) N0 261/2004 of the European Parliament and of the Council of 11 February 2004.

8.3. The Charterer and the Carrier in the eventuality of denied boarding, cancellation or delay which is not a result of extraordinary circumstances as defined in clause 8.5, Force Majeure as defined in clause 10.1., or special circumstances as indicated in clause 8.6., shall first call for volunteers to surrender their reservations in exchange for benefits.

8.4. The obligations of the Charterer and Carrier shall be excluded completely in the case the denied boarding, cancellation or delay is imputable to extraordinary circumstances as defined in clause 8.5. which could not have been avoided even if all reasonable measures had been taken.

8.5. Extraordinary circumstances may occur in cases of political instability, meteorological conditions incompatible with the operation of the flight concerned, security risks, unexpected flight safety shortcomings and strikes that affect the operation of the aircraft. Extraordinary circumstances shall also be deemed to exist where the impact of an air traffic management decision in relation to a particular aircraft on a particular day gives rise to a long delay, an overnight delay or the cancellation of one or more flights by that aircraft, even though all reasonable measures had been taken by the Charterer and the Carrier to avoid the delays or cancellations.

8.6. In view of the special circumstances surrounding the undertaking of flights to and from the airports of Mitiga, Misurata and Labraq in Libya and the current unrest war and insurrection in Libya, the obligations of the Charterer and Carrier are excluded completely in the case of denied boarding, cancellation or delay imputable to said special circumstances.

8.7. The Charterer and the Carrier shall not be liable for any further damages whether direct or consequential, that may arise as a consequence of denied boarding, cancellation or delay.

8.8. In the event of delay of a Customer leading said Customer to miss the flight as scheduled in the Voucher and in case of no-show of a Customer, the Charterer will not refund the payment made prior to the issuance of the voucher or allow the Customer to change the date of the flight.

8.9. If before boarding the Customer refuses to abide by the instructions of the captain of the aircraft, the Customer will not be allowed on board the aircraft. If after boarding the Customer refuses to abide by the instructions of the captain of the aircraft, the Customer will be liable for his misconduct. This behaviour shall be solely attributable to the Customer. In the event of delay to the flight the Charterer reserves the right to sue the Customer.

Article 9 - Diversions

If for reasons of Force Majeure as defined in clause 10.1. below, beyond the control of the Charterer the Aircraft is diverted from the airfield of destination shown in the flight timetable contained on the Voucher to another airfield (including return to the airfield of departure), the journey shall be deemed to be complete when the aircraft arrives at that other airfield, and the Charterer shall immediately after it is notified by the Carrier, notify the Customer of such diversion.

Article 10 - Force Majeure

10.1. Force Majeure shall be defined as Act of God, earthquake, fire, flood, hurricane or any other natural disturbance, insurrection, strike, riot, war (declared or undeclared), acts of Terrorism, explosion, epidemics, action by any Government Authority de facto or de jure, or any circumstances beyond the control of the parties and not occasioned by the fault or negligence of either party.

10.2. In the event of the Charterer being by reason of Force Majeure rendered unable, wholly or in part, to carry out its obligations, under these Terms and Conditions, then upon the Charterer giving notice and full particulars of the Force Majeure to the Customer, which notice shall be given immediately after the occurrence of the events relied on, the obligations of the Charterer in so far as affected by such Force Majeure shall be terminated.

Article 11 - Captain's Discretion

11.1. The operation of the aircraft is at the discretion of the captain of the aircraft.

11.2. Without prejudice to the generality of Clause 11.1., the captain of the aircraft's discretion shall include but is not limited to:-

- Which goods may safely be carried in the aircraft
- Baggage loading, allocation/placement and unloading
- Whether and when a flight may safely be undertaken
- Where and when the aircraft should land
- The alteration of the route, Customer seating, weight, maximum take-off and flight timetable
- Whether and/or how unutilized space should be used and

- Whether to use the space unutilized on the aircraft.
- Seating arrangements

11.3. All decisions taken by the captain of the aircraft shall be binding upon the Charterer, Carrier and the Customer.

Article 12 - Customer Baggage

12.1. Customer baggage weight is limited for flight safety reasons and varies according to aircraft type. Items determined by the captain of the aircraft to be of excessive weight or size will not be permitted on the aircraft. If proper packing and securing of goods to be carried in the aircraft is reasonably required to be in accordance with any decision of the captain of the aircraft, any costs incurred will be borne by the Customer.

12.2. Items which are reasonably considered by us to be unsuitable for carriage because they are dangerous or unsafe, or because of their weight, size, shape or character, or because they are fragile or perishable having regard to, among other things, the type of aircraft being used, are items deemed to be unacceptable as baggage.

12.3. Prohibited or dangerous baggage must be declared as per prohibited and dangerous good regulations. Goods must be packaged and marked correctly according to the appropriate authorities.

12.4. In the event of any breach of any of the regulations, laws, directions or these Terms and Conditions, the Customer or any other person having an interest in the baggage, shall at all times keep the Charterer indemnified against all claims, demands, liabilities, actions, proceedings, costs and damages whatsoever, which result or whose amount is increased by reason of such failure, omission, breach or other default.

12.5 Checked Baggage

12.5.1 Upon delivery to us of your Baggage which you wish to check, we will take custody of, and issue a Baggage Identification Tag for, each piece of your Checked Baggage.

12.5.2 Checked Baggage must have your name or other personal identification affixed to it.

12.5.3 Checked Baggage will, whenever possible, be carried on the same aircraft as you, unless we decide for safety, security or operational reasons to carry it on an alternative flight. If your Checked Baggage is carried on a subsequent flight we will deliver it to you, unless applicable law requires you to be present for customs clearance.

12.6 Unchecked Baggage

12.6.1 We may specify maximum dimensions and/or weight for Baggage which you carry on to the aircraft. If we have not done so, Baggage which you carry onto the aircraft must fit under the seat in front of you or in an enclosed storage compartment in the cabin of the aircraft. If your Baggage cannot be stored in this manner, or is of excessive weight, or is considered unsafe for any reason, it must be carried as Checked Baggage.

12.6.2 Objects not suitable for carriage in the cargo compartment will only be accepted for carriage in the cabin compartment if you have given us notice in advance and permission has been granted by us. You may be required to pay a separate charge for this service.

12.7 Animals

We reserve the right, at our absolute discretion, to refuse to carry any animals. If we agree to carry any animals they will be carried subject to the following conditions:

12.7.1 You shall ensure that animals such as dogs, cats, household birds and other pets, are properly crated (or carried in a container complying with any applicable legal requirements) and accompanied by valid health and vaccination certificates, entry permits, and other documents required by countries of entry or transit, failing which they will not be accepted for carriage. Such carriage may be subject to additional conditions specified by us, which are available on request.

12.7.2 If accepted as Baggage, the animal, together with its container and food, shall not be included in your free Baggage allowance, but shall constitute excess baggage, for which you will be obliged to pay the applicable rate.

12.7.3 Guide dogs accompanying Customers with disabilities will be carried free of charge in addition to the normal free baggage allowance, subject to conditions specified by us, which are available on request.

12.7.4 Where carriage is not subject to the liability rules of the Convention, we are not responsible for injury to or loss, sickness or death of an animal which we have agreed to carry unless we have been negligent.

12.7.5 We will have no liability in respect of any such animal not having all the necessary exit, entry, health and other documents with respect to the animal's entry into or passage through any country, state or territory and the person carrying the animal must reimburse us for any fines, costs, losses or liabilities reasonably imposed or incurred by us as a result.

12.8 Items removed by airport security personnel

We will not be responsible for, or have any liability in respect of, articles removed from your Baggage by airport security personnel acting in accordance with any applicable regulations.

Article 13 - Liability

13.1. The Charterer shall not be liable for any bodily injury or death suffered or incurred by or otherwise arising in respect of a Customer, not imputable to the Charterer, including but not limited to Force Majeure.

13.2. The Carrier shall not be liable for any bodily injury or death suffered or incurred by or otherwise arising in respect of a Customer, not imputable to the Carrier, including but not limited to Force Majeure.

13.3. In the event of liability of the Charterer or the Carrier for any bodily injury or death suffered or incurred by or otherwise arising in respect of a Customer, the Charterer's or the Carrier's liability shall be limited in terms of the applicable Convention.

13.4. The Charterer reserves the right to be indemnified by the Carrier, the Customer or third party, should the Carrier, Customer and/or third party be liable in whole or in part, for any bodily injury or death suffered or incurred by or otherwise arising in respect of a Customer.

13.5. The Charterer shall not be liable for any loss, damage, destruction or delay suffered or incurred to any baggage, personal effects carried or to be carried on the aircraft, not imputable to the Charterer, including but not limited to Force Majeure.

13.6. The Carrier shall not be liable for any loss, damage, destruction or delay suffered or incurred to any baggage, personal effects carried or to be carried on the aircraft, not imputable to the Carrier, including but not limited to Force Majeure.

13.7. In the event of liability of the Charterer or the Carrier for any loss, damage, destruction or delay suffered or incurred to any baggage, personal effects carried or to be carried on the Aircraft, the Charterer's or the Carrier's liability shall be limited in terms of the applicable Convention. In the event the Customer wishes to be covered for a higher amount, the Customer should inform the Charterer beforehand.

13.8. The Charterer reserves the right to be indemnified by the Carrier, the Customer or third party should the Carrier, the Customer and/or third party be liable in whole or in part, for any loss, damage, destruction or delay suffered or incurred to any baggage, personal effects carried or to be carried on the aircraft.

13.9. Unless otherwise expressly stipulated above, in the event of any other liability not contained in these Terms and Conditions but related to the journey, the Charterer shall have a combined limit of liability in respect of each Customer up to one thousand Euro (€1,000).

13.10. In view of the special circumstances surrounding the undertaking of the flights to and from the airports of Mitiga, Misurata and Labraq in Libya and the current unrest war and insurrection in Libya, together with the insurers decision to limit the insurance cover provided as a result of said special circumstances, the Charterer and the Carrier shall only be held liable for any passenger per occurrence in respect of losses, claims or other outgoings up to the limit established in the applicable Convention per passenger whilst the aircraft is in the sovereign airspace of Libya. For the purposes of this clause, it is agreed that the airspace of Libya shall have the following meaning: Airspace means the portion of the atmosphere controlled by a country above its territory, including its territorial waters or, more generally, any specific three-dimensional portion of the atmosphere. For the purposes of these Terms and Conditions, the notion of a country's sovereign airspace corresponds with the maritime definition of territorial waters as being 12 nautical miles (22.2km) out from the nation's coastline.

Article 14 - Fares, Taxes, Fees, Charges and Exceptional Circumstances Surcharges

14.1 Fares

14.1.1 The fare paid for your Ticket covers carriage of you and your Baggage from the airport at the place of departure to the airport at the place of destination via specified Stopovers at the times and on the dates specified in the Ticket, unless we say otherwise.

14.1.2 The fare does not include ground transport service between airports and between airports and town terminals, unless we say otherwise.

14.1.3 The fare for your Ticket has been calculated according to our Tariff as it applied on the date payment was made for your Ticket.

14.2 Taxes, fees and charges

14.2.1 Before carriage, you will pay to us the total amount of all applicable taxes, fees and charges imposed on us by a government or other authority, or by the operator of an airport, which we are obliged to collect from you or to pay in respect of your carriage.

14.2.2 When you purchase your Ticket, we will advise you of all taxes, fees and charges not included in the fare, most of which normally will be shown separately on the Ticket.

14.2.3 Taxes, fees and charges imposed on air travel are outside our control and are constantly changing and can be imposed or changed after the date your Ticket has been purchased. If a tax, fee or charge is imposed or increased after your Ticket has been purchased, you must pay to us any such tax, fee or charge, or any such increase before carriage.

14.3 Surcharges in exceptional circumstances

14.3.1 In exceptional circumstances, charges may be imposed on us by third parties which are of a type or amount not normally applicable to our operations (for example, insurance premium supplements or additional security costs triggered by unlawful interference with civil aviation). In addition, we may be subjected to significant increases in operational costs (for example, fuel charges) caused by exceptional circumstances beyond our control. In such cases, you will be required to pay to us, as fare surcharges, all such charges attributed by us to your carriage (even if imposed after the date of issue of your Ticket). We will contact you with details of any applicable fare surcharges as soon as possible. If we are unable to establish contact using your contact details, we will advise you of any applicable fare surcharge at check-in. You are free to choose not to pay a fare surcharge and receive an involuntary refund of your Ticket, in which case we will have no other liability to you.

14.3.2 If any exceptional circumstances surcharge ceases to apply to all or part of your carriage, or a lesser amount is due, a refund can be claimed in respect of any such surcharge which has been paid.

Article 15 - Reservations

15.1 Personal Data

You recognise that personal data has been given to us for the purposes of: making a reservation, purchasing a Ticket, obtaining ancillary services, developing and providing services, facilitating immigration and entry procedures, and making available such data to government agencies, in connection with your travel. We or our Authorised Agents will advise you of the Check-in Deadline for your first flight with us shown on your Ticket. For any subsequent flights in your journey, you should inform yourself of the Check-in Deadlines as we and our Authorised Agent may not do so. Check-in Deadlines for our flights can be found in our timetable, or may be obtained from us or our Authorised Agents.

16.2 You must be present at the boarding gate not later than the time specified by us or the time specified in the check-in deadlines indicated by the airport in question, when you check-in.

16.3 We may cancel the space reserved for you and offload your Checked Baggage if you fail to arrive at the boarding gate in time.

Article 17 - Refusal and Limitation of Carriage

17.1 Right to Refuse Carriage

In the reasonable exercise of our discretion, we may refuse to carry you or your Baggage if we have notified you in writing that we would not at any time after the date of such notice carry you on our flights. In this circumstance you will be entitled to a refund. We may also refuse to carry you or your Baggage if one or more of the following have occurred or we reasonably believe may occur:

17.1.1 Such action is necessary in order to comply with any applicable government laws, regulations, or orders.

17.1.2 The carriage of you or your Baggage may endanger or affect the safety, health, or materially affect the comfort of other Customers or crew.

17.1.4 You have refused to submit to a security check.

17.1.5 You have not paid the applicable fare, taxes, fees or charges.

17.1.6 You do not appear to have valid travel documents, may seek to enter a country through which you may be in transit, or for which you do not have valid travel documents, destroy your travel documents during flight or refuse to surrender your travel documents to the flight crew, against receipt, when so requested.

17.1.7 You present a Ticket that has been acquired unlawfully, has been purchased from an entity other than us or our Authorised Agent, has been reported as being lost or stolen, or is a counterfeit, or you cannot prove that you are the person named in the Ticket.

17.1.8 You have failed to comply with the requirements set forth in Article 7 above concerning voucher sequence and use, or you present a Ticket which has been issued or altered in any way, other than by us or our Authorised Agent, or the Ticket is mutilated.

17.1.9 You fail to observe our instructions with respect to safety or security.

17.1.10 You have previously committed one of the acts or omissions referred to above, and we have reason to believe that you may do so again.

Article 18 – Conduct Aboard Aircraft

18.1 General

If, in our reasonable opinion, you conduct yourself aboard the aircraft so as to endanger the aircraft or any person or property on board, or obstruct the crew in the performance of their duties, or fail to comply with any instructions of the crew, including but not limited to those with respect to smoking, alcohol or drug consumption, or behave in a manner which causes discomfort, inconvenience, damage or injury to other Customers or the crew, we may take such measures as we deem reasonably necessary to prevent continuation of such conduct, including restraint. You may be disembarked and refused onward carriage at any point, and may be prosecuted for offences committed on board the aircraft.

18.2 Payment of Diversion Costs

If, as a result of conduct by you of the sort mentioned in Article 17.1 we decide, in the exercise of our reasonable discretion, to divert the aircraft for the purpose of offloading you, you must pay all costs resulting from that diversion.

18.3 Electronic Devices

For safety reasons, we may forbid or limit operation aboard the aircraft of electronic equipment, including, but not limited to, cellular telephones, laptop computers, portable recorders, portable radios, CD players, electronic games or transmitting devices, including radio controlled toys and walkie-talkies. 19.3 Refusal of Entry

19.6 Security Inspection

You shall submit to any security checks by Governments, airport officials, Carriers or by us.

Article 20 - Time Limitation on Claims and Actions

20.1 Notice of Claims

20.1.1. Acceptance of Baggage by the bearer of the Baggage Check without complaint at the time of delivery is sufficient evidence that the Baggage has been delivered in good condition and in accordance with the contract of carriage, unless you prove otherwise.

20.1.2 If you wish to file a claim or an action regarding Damage to Checked Baggage, you must notify us as soon as you discover the Damage, and at the latest, within seven (7) Days of receipt of the Baggage.
